SEAFRONT LIVING

As for the future
your task is not to foresee it
but to enable it.

Antoine de Saint-Exupery

pure

is the result of inspiration and passion.

When a man dreams alone it is only a dream, but when many dream this is the beginning of a new reality.

Friedensreich Hundertwasser

Creativeness allows the exceptional to emerge amongst
the ordinary, identity to arise from a sea of anonymity,
and a dream to unfold into reality.

Nicolas Büchler

calm & elegant

Designed as a natural haven of peace and greenery PURE will be your ever-best ocean retreat
your evermost vital source of inspiration, your oasis to revive from city life.

Admire constantly changing horizons from your spacious sheltered terrace, scent that salty fresh air
feel the gentle sea-breeze on your skin – dip into your private pool.

After one more memorable sunset, lull yourself to sleep above the gentle surf of the ocean.

An hour is not merely an hour
it is a vase full of scents and sounds
and projects and climates.

Marcel Proust

Consideration for others
is the basis of a good life,
a good society.

Confucius

Everything you can imagine is real.

Pablo Picasso

econo & eco

Great economies result due to green and oversize balconies, large double-block cavity walls, insulated roofs, LED lighting, rain and wastewater recycling, cross-ventilation by sea breeze.

Leading technology and design save on air-con, electricity and water significantly lowering your consumption and cost.

I have just three things to teach :

the better will be his world and the world at large.

Confucius

Design should allow that
intangible essence to materialize,
which alone will confer a
masterpiece its soul.

Nicolas Büchler

privacy & seaviews

Relax with your family and friends – undisturbed.
Sight protecting canopies, large double-brick cavity walls, thick post-tension concrete floors
converge for absolute serenity.

Rising from the beach, PURE commands stunning views of the Gulf of Thailand,
the bay of Sattahip, charming islands and a distant Jomtien skyline.

You won't see rainbows
if you're looking at the ground.

Charlie Chaplin

Wherever you go, go with all your heart.

Confucius

Good friends, good books –
this is the ideal life.

Mark Twain

Without music,
life would be a mistake.

Friedrich Nietzsche

Everything has its beauty
but not everyone sees it.

Confucious

He who does not trust enough
will not be trusted.

Lao Tzu

pure moments

When a vision is being put into practice
with full commitment,

when every detail has been carefully
thought of in terms of ecology,
economy, comfort and quality,

then the word is whispered by owners
to friends — and the biggest asset
becomes their community.

*A big “thank you” to everyone
who has supported PURE and
shares our vision !*
